CANOEING

Competition a top experience

TWO Mazenod College Year 12s battled the rapids and international canoeing competitors in Slovakia in July.

Brodie Crawford and Steven Lowther represented Australia in the Junior Canoe Slalom World Championships in Liptovsky, Slovakia in the individual and team events.

In the individual C1 event, Crawford finished 37th and Lowther finished 44th, competing against nearly 100 competitors.

In the C1 Teams event, Crawford, Lowther and another paddler from Tasmania finished in 5th place. "The world championships were an awesome experience," Brodie said. He said it was "amazing" exploring the different cultures in Europe.
